AdminDroid

LICENSE MODEL

AdminDroid Office 365 Reporter

LICENSE MODEL

AdminDroid Office 365 Reporter offers both **Free** and **Premium** versions. The premium version of AdminDroid is classified as **Standard** and **Pro** editions.

If you are yet to install AdminDroid, then we encourage you to download and install the latest version from our website and start exploring.

After installation, AdminDroid provides you with a **15-day free trial** period with unrestricted access to all functionalities. We believe that this trial period will extremely beneficial to you in evaluating all of the features and reports to see if they meet your requirements. Once the trial expires, your AdminDroid installation will automatically revert to the free edition.

Check out the below FAQ to know more about our licensing model.

GENERAL QUESTIONS

What are the Packs all about?

Packs unlock different functionalities of the product. You can purchase the Packs based on your requirements.

Report Pack   :   Allows you to access Office 365 **Reports** and **Dashboards.**

Audit Pack   :   Allows you to access Office 365 **Audit Reports** and **Dashboards**.

Admin Pack :   Allows you to **delegate access** to the AdminDroid application.

Tenant Pack :   Allows you to **manage multiple tenants** in your AdminDroid application.

The pricing of each pack is calculated by different factors.

Report Pack and Audit Pack :   Based on the total number of **licensed users** in your O365 tenant.

(Licensed users refer to the users assigned with an Office 365 license)

Admin Pack : Based on the number of **administrators configured to access the AdminDroid** application.

Tenant Pack : Based on the number of **tenants configured in the AdminDroid** application.

What does the Standard Edition of AdminDroid offer?

The Standard edition of AdminDroid comes with general reporting, auditing, and scheduling functionality. Also, the **Standard edition allows you to choose packs**. For instance, if you wish to only audit the user activities in your organization, you shall purchase the 'Audit Pack' alone and have access to the 'Audit Reports'.

What does the Pro Edition of AdminDroid offer?

The Pro edition of AdminDroid is comprised of advanced features such as Alerting, AI-Powered charts, Role-based access delegation, Advanced scheduling functionalities, Detailed analytical reports, and Report boards.

Unlike Standard edition, **you'll not be able to choose packs in Pro edition**. You have to purchase all the packs in order to use the Pro edition of AdminDroid.

What does the Free Edition of AdminDroid provide?

AdminDroid provides over **100+ reports and a handful of dashboards completely for free**. It includes reports on Users, Licenses, Groups, Group Members, Devices, Login Activities, Password Changes, License Changes, and more. The free edition doesn't have any restrictions in reporting functionalities such as customization, scheduling, and exporting.

Is there a comparison sheet for AdminDroid's license editions?

Yes, for a detailed comparison of AdminDroid's license editions, refer to the Compare editions table below.

Can we upgrade from Standard Edition to Pro Edition?

Yes, AdminDroid offers an 'easy upgrade' functionality that allows you to directly upgrade your license packs based on your requirements right from your AdminDroid portal.

## Is it mandatory to purchase both the Report Pack and Audit Pack?

Purchasing both the Report pack and Audit pack is not mandatory if you purchase a Standard edition. You can purchase the packs based on your reporting requirements.

- To access reports under **'Reports'** category, you have to purchase the **'Report Pack'**.
- To access reports under **'Audit'** category, you have to purchase the **'Audit Pack'**.

You need the 'Report Pack' to access: **You need the 'Audit Pack' to access:**   **You need the 'Pro Edition' to access:**

Note:
To access the insightful reports under **'Analytics'** and **'ReportBoards'**, you have to purchase the **'Pro'** edition.

- The analytical reports are generated using the data from various sources that are combined and analyzed with various perspectives. This includes Azure Sign-ins, Detailed Email Analytics, Conditional Access Policy Reports, and more.
- The ReportBoards are a pre-built report package compiled to ease your Office 365 Compliance, Usage & Adoption analysis, Inactivity tracking, and so on.

Does Tenant Pack include both Report Pack and Audit Pack functionalities?

No, Tenant Pack will only be used for adding tenants to your AdminDroid portal.

PURCHASE AND PAYMENT METHODS

How to purchase the product?

You can purchase the product either from your AdminDroid portal or our website directly using your Credit/Debit card or PayPal.

What are the payment methods available?

The following are the payment methods with which you can purchase AdminDroid.

1. Purchase from website /Product portal:
   - Pay using the PayPal payment gateway directly with the **'Pay with PayPal'** option
   - Pay using your Credit card with the **'Pay with Credit Card'** option

2. In addition to payment via PayPal, we support the below options. Please reach out to us at support@admindroid.com, for detailed payment instructions.

We are a reseller or service provider. Can we purchase the license on behalf of the users?

Yes, please email us at support@admindroid.com, regarding the information which needs to be presented in the quote or invoice. We can send it as per your preference.

Is it possible to purchase AdminDroid on a monthly billing basis?

No, AdminDroid follows a year-based licensing model at the moment.

Will AdminDroid auto-renew itself?

No, at present, AdminDroid doesn't have the ability to auto-renew the purchased license.

You have to renew the AdminDroid license manually from the **'Settings > License'** page or by purchasing a new license from our website and activate it when the subscription period ends.

Do we need to pay for the technical support or product updates?

No, the licensing cost is inclusive of product support and updates. The license allows you to use the software for the purchased license period, and entitle you to avail all updates to the software and to receive technical support.

DISCOUNT

How to get the discount mentioned in the AdminDroid portal/website?

EDU and Non-Profit:

At the moment we provide the discount for Education and Non-Profit tenants based on the number of Office 365 licensed users in the tenant i.e., the discount will be only applied to packs which are based on **'Licensed Users'** such as **'Report pack** and **Audit pack'**.

If you want to avail this discount you need to prove that your Office 365 tenant is either an Edu tenant or a Non-Profit tenant by sending us the screenshot of Office 365 license page.

MSP/CSP/Reseller:

This discount is based on the requirement of the license and the future commitment with AdminDroid. If you wish to avail this discount, please reach out to us at support@admindroid.com. So that, we'll ask some queries and provide you with a discount based on your answers.

MVP Discount:

We would like to honour the Office 365 MVPs for their effort to improve the Office 365 community. We are providing a free NFR license for MVPs who come under the category of **'Office Apps & Services'**. This free license is a token of appreciation to their contributions.

If you are an Office 365 MVP, then please share us your MVP profile page with the link to your MVP profile.

Is there any discount if we purchase for more than one year?

Yes, we provide the discount if you purchase for 2 or 3 years, the discount percentage is as follows.

- 2 years -20%
- 3 years -30%
- Purchase Order and Invoice method
